## ***This Month's Chuckle!***

Sherlock Holmes and Dr. Watson went on a camping trip. After a good meal and a bottle of wine, they lay down for the night, and went to sleep. Some hours later, Holmes awoke and nudged his faithful friend. "Watson, look up at the sky and tell me what you see."

Watson replied, "I see millions and millions of stars."

"What does that tell you?" Holmes asked.

Watson pondered for a minute. "Astronomically, it tells me that there are millions of galaxies and potentially billions of planets. Astrologically, I observe that Saturn is in Leo. Horologically, I deduce that the time is approximately a quarter past three. Theologically, I can see that God is all-powerful and that we are small and insignificant. Meteorologically, I suspect that we will have a beautiful day tomorrow. What does it tell you?"

Holmes was silent for a minute, then spoke. "Watson, you idiot. Somebody has stolen our tent!"

## **Big Muddy Tour**

On Saturday July 16, 2011 Phil and I went on the Big Muddy Tour. It was a beautiful sunny (and hot) day for the tour. Thank goodness the United Church had booked an air conditioned Stagecoach Bus.

When we boarded the bus at the RM office it was already quite full with passengers from Weyburn. The bus also stopped in Ogema and picked up some more passengers, as well as our tour guide, Florence Galbraith. In Bengough we picked up our last passenger.

Our first stop was at Castle Butte, then we stopped at the Buffalo Effigy. Then it was off to Big Beaver for lunch. After lunch we walked over to the museum at Big Beaver and the store.

Our next stop was at the Old Porch Gallery. Tamela Burgess shared some of the outlaw stories from the area with us and then we toured the gallery where she has her artwork, some of her daughter's photography and other items. There were also some photographs of Mantracker when they did an episode of the TV show at the ranch. Tamela has written a book about the colorful history of the Big Muddy entitled "The Big Muddy Badlands Past to Present".

Our final stop was at the Paisley Brook SD #3434 school which was open from 1916 to 1957. On our drive home door prizes were drawn for.

A big thank you to the United Church for sponsoring this bus tour. Phil and I really enjoyed it and would recommend that if you have not seen the Big Muddy you should definitely take a tour of the area.

## **Main Street Repaved**

Paving of Main Street was done in July. There was lots of activity on Main Street with trucks and other heavy equipment. The weather co-operated with hot and sunny days, a big change from all the rain we have been having here.

Main street was closed for a few weeks before the new pavement was ready for us to drive on. On Monday, July 25<sup>th</sup>, Main Street was reopened.

## **100 Year Celebration Kick Off**

On Wednesday, July 27th, 2011 the 100 Year Celebration Kick Off Barbeque was held at the Pangman School Yard. The Committee was very excited to be able to use the new Community Kitchen.

Many people enjoyed a meal of burgers, hot dogs, garden salad, coleslaw, potato salad and angel food cake with strawberries and ice cream for desert. A good time was had by all. There was also 100 Year Celebration Memorabilia for sale.

A big thank you to all those who prepared and brought food, cooked the burgers and hot dogs and served the food at the Barbeque.
