School Review Committee News

The School Review Committee would like to thank all those who came out to the meeting in Weyburn on January 19th to support our school.

At this meeting a motion was passed by the School Board to continue the review process looking into the discontinuance of some grades (9 to 12). This decision is not final and the fight continues to save the Pangman K-12 School.

A community meeting with the South East Cornerstone School Board about the School Review Process will be held in Pangman at a later date. Watch for further updates.
