It's hard to believe that the 2014-2015 school year is coming to an end. This month, students and staff will be wrapping up the year with track and field, exams, field trips, and finishing up assignments.

The month of May held our annual graduation ceremony. Congratulations to Jordan Bedard and Lilia Svedahl and all the best as you begin a new chapter in your lives.

On Saturday, June 13, the Grades 6, 7, and 8 students will be hosting a movie night and bake sale. All proceeds will be donated to the Pangman Flowers Fund. See details on page 4.

The Pangman School Awards Ceremony will be held on Friday, June 19 at 1:30pm. We encourage parents, family members, and the public to attend.

Report cards will be available for pick up at the school on Tuesday, June 30 from 9:00am- 10:00am.

We are excited to announce that all students and staff will soon have access to Office 365 for **free** for as long as they are students or work for the division. Office 365 is the cloud (Internet) based Microsoft Office suite. It provides lite-versions of Word, Excel, etc. (what you see in our Portal and CornerNet) but also the ability to download the fully featured version and get & use the mobile apps. Detailed information will be sent home soon.

Good luck to our students who will soon be writing exams!

Music Alive!

Back in April, the Music Alive Program visited our school. Jacob, the performer from Music Alive, is pictured here with two of our students. They are even going to use this photo in their Annual Report!

The Grades 1 and 2 students have been learning all about 3-D shapes. In these photos we can see them building structures with their shapes.

The Grades 3, 4, and 5 students had the opportunity to learn all about fossils when they were able to create their own fossils using plaster of Paris.

The Grades 3-5 students performed The Ugly Duckling (top) and short plays they wrote themselves for the K-2 class.

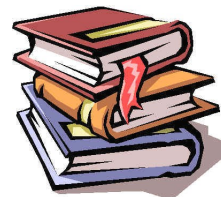

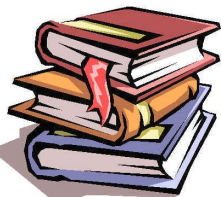

Reader's Theatre

Please have all library books returned by

June 17, 2015.

Thank you.

Better Beverages

Canada's Food Guide Recommends

- To satisfy your thirst with water, drink more water in hot weather and when you are very active.
- To limit beverages high in calories and low in nutrients.
- To drink lower fat milk and water with meals.

Literacy In the Car

1. Play rhyming games such as "I'm Going on Vacation". You begin by saying, "I'm going on vacation, and I'm going to bring my hat. What will you bring?" Your child will respond with, "I'm going on vacation, and I'm going to bring my hat and my cat (or any other object that rhymes with your word). What will you bring?" Continue rhyming and adding to your list but make sure the words in your list rhyme.
2. Scavenger hunts at rest stops. Your child can read the list of clues and will complete each task. (Remember, if your child cannot read yet, use picture clues)

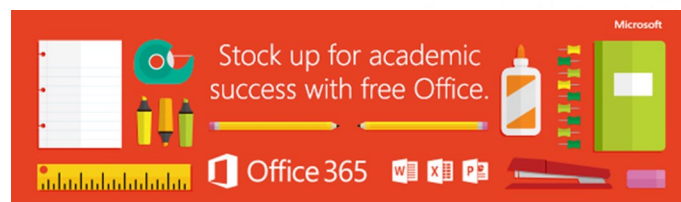

3. Post Cards—during your trip let your child choose post cards and write out your travel events on the back or create your own by taking pictures and writing about it.
4. Notice letters along the way—visually hint for each letter of the alphabet on license plates, road signs and billboards.

Play 'I Spy' - "I spy something that rhymes with fly ..." or play the alphabet game.

5. Bring a backpack of books for your children to read in the car. Encourage your child to read out loud (using words or pictures) and ask questions about the characters, the problem in the story, and how the story ended.
6. Download stories to iPods. This is a great idea for long car rides or a relaxing summer afternoon.
7. Radio Ride— Listening to music is a great way to spend time together in the car. Singing nursery rhymes, children's favourites or singing along to the radio are ways to make the time speed by. Change to words to make the song into a silly song or rhyme.
