Staff Greeting

We were fortunate to have exceptionally beautiful autumn weather this October. Students and staff took the opportunity to enjoy this weather during recess and breaks and also for many classroom activities. We certainly made the most of it!

Our school has been a hub of activity with volleyball, presentations, school picture day, the book exchange, and the Open House. Be sure to check out the photos on the following pages.

The Open House was held on October 26th. The students, staff, and community had the chance to enjoy a supper hosted by the SRC, to listen to a variety of presenters, attend the SCC Annual General Meeting, to tour the school and classrooms, and to visit the Book Fair. Thank you to all who attended to make this another successful event.

We also have many exciting events coming up in the near future. The grades 10-12 will be attending a Career Fair in Weyburn on November 4. We welcome everyone to our Remembrance Day program that will begin 10:00am on November 10 in the school gym. Students are working hard in preparation for this annual service. On November 13 the entire school will be attending a Globe Theatre production in Regina.

Lest We Forget

Friday, Nov. 13

Kindergarten to Grade 12 students will attend this production.

SRC

We want to congratulate the SRC for a very successful month despite the fact that it was so busy. This month, the SRC organized a Spaghetti Dinner and Clothing Sale for the Open House, a week's worth of Halloween Activities, and the Magazine Fundraiser events. We have a very dedicated, hardworking group of positive leaders!

On Monday, October 26th we had our annual Open House. The SRC prepared the spaghetti dinner, set up the food and drink tables, bussed tables, and cleaned up after serving dinner to over 50 people. At the same time, they organized and supervised the clothing sale tables. Many of our SRC members also worked at the Book Fair. We didn't have to ask anyone to do anything. The students independently took the initiative to do what needed doing. We were so proud and impressed!

During the last week of October, the SRC offered Halloween themed activities at lunch time. On Tuesday, there were Halloween Charades. On Wednesday, there was a Halloween Jump Rope Race. On Thursday we played pin the teeth on the vampire. Friday's events were held during the last period of the day and included a blindfold maze, toilet paper mummy, tape to the wall, and apple on a string. Good Job, SRC!

Our Magazine Fundraiser wrapped up in the last week of October as well. We will have our Top Five Sellers activities and announce the winner of the Top Selling Classroom during the first week of November.

The Choir has begun rehearsals and consists of students from Kindergarten to Grade 12. We meet every Day five at lunch or more frequently if we have a performance coming up. We meet right at the lunch bell and eat in Mrs. Walters's room. If your child goes home for lunch, please ensure they have a lunch on choir days so we can begin rehearsals right after everyone is finished eating. We are currently rehearsing two songs for the Remembrance Day Ceremony which will be held on November 10th at 10:00 am.

Cooking Club

The Cooking club had their first Hot Lunch on Thursday, October 29th. It was a spaghetti lunch. We will begin to meet more often as time permits and hope to offer a hot lunch once a month.

Students of the Month for October

K-3: For his improved efforts in attempting new skills in Kindergarten during the month of October.

Grades 4-6: For outstanding effort in everything she does.

Grades 7-9: For showing excellent leadership, sportsmanship, and dedication in Volleyball and for improved focus and work ethic in all his classes.

Grades 10-12: For her dedication to developing a better understanding of math during the month of October.

Thank you to those who attended Pangman School's Open House on Monday, October 26th!

Career Fair

The Grades 10-12 students will be attending the Weyburn Comprehensive School's Career Fair on November 4th.

Students will learn about scholarships, courses offered at Post Secondary Institutions and much more.

Charity Farms

The Pangman Charity Farms canola crop was combined on September 12 with perfect harvest weather. John Friesen, Gary Lee, Gladys Jesse, Brian Jesse, Lawrence Fellner, Ken Kaufmann, Wayne Lozinsky, Mark Johnson and Ken Newman volunteered their time, effort and equipment adding to the success of the day. A big thank you to our major sponsors E. Bourassa & Sons for their continued support, as well as Weyburn Pioneer Grain, Municipal Hail, and Farm Credit Corp. The proceeds from the sale of the crop each year are a major support for Pangman School and community.

Live Different Presentation

Grades 2 & 3 students created turkeys to celebrate Thanksgiving.

On October 20th students were invited to listen to Aboriginal storyteller Armand McArthur.

Cross Country Running

Congratulations to students who participated in the Cross Country Run on October 14th.

Ways to Make Reading at Home Fun

1. Point out words and phrases around you –on cereal boxes, street signs, maps, posters and books.
2. Let your children choose books themselves.
3. Look for kids' magazines your child will enjoy.
4. Read with excitement – use different voices. Make puppets, act out the story.
5. Give clues about a mystery word you are thinking about. Choose a word related to something you and your child have done together.
6. Make cards to play matching games – match letters and words to pictures. Play board games that include making words and reading the words on a card.
7. Make your kitchen part of your reading zone. Have fridge magnets available so your kids can start making words and short sentences.
8. Encourage relatives and friends to give books as gifts.
9. Play memory games. Place objects on the floor, ask your child to look at them for a minute and then cover them. Ask your child to name as many items as possible.

Read all kinds of materials – stories, poems, newspaper articles, magazines and comics.

Tips for Reading with Your Child

Before Reading:

- Choose a comfortable spot to read.
- Sit beside your child so you can both see the pictures and the text (words).
- Look at the cover together (talk about the picture, title, author and illustrator).
- Take a picture walk through the whole book. Look at the pictures and discuss what might be happening.

Let your child do the talking. Talk about what you think it will be about (making a prediction)

During Reading:

While reading, pause and listen to your child's comments. You can add to the conversation. Ex. "I didn't know that was going to happen! Did you?" Point out different aspects of the text such as, "Did you hear all those rhyming words? Look at all the lines that repeat..."

After Reading:

- After reading, discuss the book with your child, but do not turn it into a quiz. The whole point is to relax, enjoy each other and share the experience!
- Re-read favourite books, but read new ones too.
- Once your child has learned to read, it is still important to read aloud to them.
