**Thank you to the supporters of our 2016 QSP Magazine Fundraiser!**

## **Students of the Month for November**

K-3: For her improved effort towards becoming a stronger reader during the month of November 2016.

Grades 4-6: For his consistent effort in improving his writing.

Grades 7-9: For working so hard toward meeting his goal for being on time in the morning.

Grades 10-12: For their exemplary work at the Daycare Fundraiser.

Our 2016 Remembrance Day service was held on November 10th. Each year we honour those who fought to give us the freedom that we enjoy today. The gym was beautifully decorated with artwork created by the students of Pangman School. Thank you to the K-3 class, 4-6 class, Keera, Maddox, Clea, Taryn, Hayley L., and Elizabeth for presenting during the ceremony. We would also like to thank Keith Howse who spoke on behalf of the Legion.

## New Books in the Library & New E-library!

Thanks to your support of the 2016 Scholastic Book Fair, we have earned many new books for our students to enjoy. Please check out OverDrive, the division's e-library, at [www.cornerstonesed.ca](http://www.cornerstonesed.ca).

## Keeping Food Fun

Providing children with positive and fun food experiences can help them feel good about themselves and gradually learn to like new foods.

### Help children feel good about themselves

- Make the same meal for everyone so no one is singled out.
- Offer a variety of food choices at each meal or snack so everyone can choose which foods to eat.
- Pair a new food with a familiar food so children feel like they have a "safe" option.
- Serve a napkin. If a child chooses to taste a new food but then discovers that they don't like it, they can use the napkin to politely get rid of the food.
- Avoid any pressure or bribery for children to taste or eat certain foods; this can make mealtimes stressful and unpleasant.
- Allow children to decide how much and even whether to eat from what is offered.

### Think about your child's past experience

- An unpleasant food experience from the past can make children not want to eat certain foods in the future. Keep experiences positive and fun to help make good memories with food and eating.

### Take your time

- Learning to like a new food takes time and practice. Children use all of their senses to learn about food. This includes the look, the feel, the smell, the sound and the taste of the food. Even if a child appears to not like a new food the first time, plan to offer it in the future. It can take 12 or more times before a child will taste or eat something new.

### Involve children in activities

- Involve children in fun food activities that are right for their age like gardening, planning a menu, shopping for groceries, cooking, serving and even cleaning up after a meal.

### Be a role model

- Children learn to eat how their families eat.
- Eating together as a family gives children the chance to try new and different foods.
- Make mealtimes a time to talk to each other. Shut off all distractions like TVs and phones.

# HALLOWEEN

To celebrate Halloween, our students painted and carved pumpkins. Thank you to Tom and Debbie Kessler and family for donating the pumpkins for the students to decorate on Halloween. The Kessler family donated enough pumpkins for each student to have his/her own pumpkin to decorate and take home. The Daycare toured the school to show us their costumes. We all visited the Deep South Personal Care Home to chat with the residents and the K-3 students performed some Halloween dramas and songs.

This is a model of Pangman School created by the 7 8 9 Math class. Last year, during our unit on scale factors and percent and decimals, the class measured the dimensions of the school. Using these measurements they hand drew scale blueprint of the school. From here groups of students converted their hand drawn blueprint into a 3D model using Google SketchUp. This year we used a 3D printer to print out a scale model of the school.

Thanks!

The grades 1-3 students would like to thank Mrs. Kerney and Mrs. Sambrook for volunteering in our classroom as story listeners. It is a wonderful opportunity for our primary students to have an extra adult to listen to them as they work to develop strong reading skills.

## Ways a Parent Can Help a Child LEARN TO READ

**1**

**Let your child  
see you reading!**

Have magazines and  
books in your home.

**2**

Look for  
appropriate word  
and reading games  
online to play with  
your child

**3**

Ask your child  
to draw a picture  
or write about what  
happens in a story.  
Keep paper, notebooks,  
pencils, pens, markers  
and crayons available  
in your house.

**4**

When you're  
reading a magazine  
or newsletter, ask  
your child to look on the  
pages for pictures that  
start with a certain sound.

Do you see a picture of a  
thing that starts with "p"?

**5**

Set aside a  
time and place  
for reading -

like a comfy chair  
with a reading light  
for bedtime stories

**6**

Visit your  
public library  
regularly.

Find and read together  
the books that were your  
favorites when you were  
a kid.

**7**

**Enjoy reading  
with your child.**

Laugh at silly pictures.  
Make goofy voices.  
Have fun!

**8**

Ask your child questions about the  
story as you read together:

- What is the story about?
- Why do you think he/she made that choice?  
Was it a good choice?
- Why did that happen?
- What do you think will  
happen next?
- What was your favorite  
part of the story?  
Why?

**9**

Make a game  
out of finding  
words that rhyme  
or that start with  
the same sound

**10**

After you finish  
reading a story,  
look back at a page  
and ask your child to  
find common words.

"Can you find the word \_\_\_\_?"  
Use words like: the, me, up,  
and, go, run, can, to, stop

**11**

Teach  
your child  
to recognize  
his or her  
own name

**Read out loud to your child -**  
books, poems, nursery rhymes, recipes, billboards,  
newspaper articles, ads, signs - whatever words you see!

**HOT LUNCH DAY**

**Sponsored by Pangman SCC**

**December 9, 2016**

**PIZZA SLICE**

(with a juice box and rice crispy treat)

**\$6.00 / each**

Please complete and return your order form by **Friday, December 2nd**
