SRC

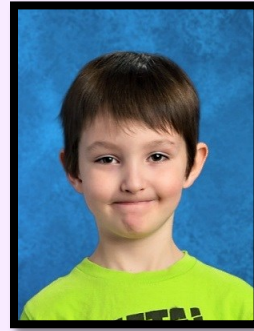

During the month of May the SRC successfully hosted an Outdoor Fun Day on May 11th for the grades 1-12. On that day we divided the grades from 1-5 and 7-12 and each group played two different games. The younger children played two different games; one was four corner soccer and the other game was hula-hoop tag. As for the older kids they played one game of beach towel volleyball and also capture the flag with dodge balls. We also had two dress up days through the month which were Formal Day and Tacky Tourist Day.

For the month of June we have planned two dress up days. On June 8th it is Throwback Thursday, so you can dress up in anything from the 70s or 80s. On June 14th it will be Emoji Day. You can dress up as your favorite emoji.

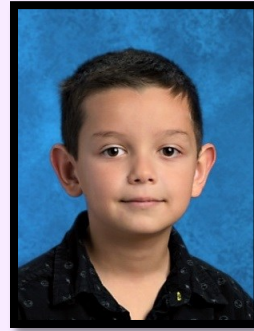

Microwave Use Discontinued

With regrets, starting in September next year (2017-2018) microwaves will no longer be available for students' use at Pangman School. As per the National Fire Code and Safety Regulations, microwaves can pose a fire hazard and safety risk for students. South East Cornerstone School Division has instructed that all microwaves shall be removed from the hallways and classrooms by June 30, 2017. Therefore students will no longer have access to microwaves during their school days. Thank you for your time and cooperation.

Students of the Month for May

K-3: For being helpful during class.

Grades 4-6: For being an active and respectful participant and being a positive representative of Pangman School while we were on our Field Trip!

Grades 7-9: For consistent quality in his work.

Grades 10-12: For her willingness to put in extra time on her on-line class.

Grad 2017

**Congratulations to Pangman School's 2017
Graduating class.**

On May 19 the EYES group from the University of Regina visited our school. Students from Kindergarten to Grade 9 participated in workshops focusing on engineering and science.

Outdoor Fun Day

Horizons—Weyburn Comprehensive School

This past month Pangman School had the opportunity to send several students to Horizons Leadership Conference. This conference is designed to provide participants with motivation, inspiration and information to make their school a better place to live and learn. We can't wait to see how these students use what they learned to continue making Pangman School even better!
