It is my pleasure to welcome everyone back to Pangman School. We have a few new additions to our staff. We are pleased to welcome Mr. Neithercut (science/math 7-12), Miss Berner (K-3), Shanlee Duthie (K-3 EA) and Robyn Verot (K-3 EA). Pangman Staff are excited to see students back in the classrooms and hallways filling them with energy and enthusiasm for learning and being back with their friends. It is our mission to help every student feel connected and welcome at Pangman School. It is also our mission to challenge each child to grow academically in a safe environment. Pangman School also continues to offer extra-curricular and intramural activities for our students after school and during noon hour - SRC, volleyball, badminton, basketball, curling, track & field, and NEW this year (Coding) for grades 4 -6. We encourage students to sign up and participate as involvement in these types of activities makes well rounded students.

We also encourage everyone to use our school website as we try to make it useful and informative-a place you can easily access to keep you informed of what is happening at Pangman School. All the information we send or email can be found here. Our monthly newsletters are emailed to each family at the end of every month and we also upload a copy to our website. I encourage parents and students to take the time to read the newsletter as it showcases the students and their accomplishments; it is all about the students of Pangman School. Additionally the grades K-9 have a See Saw account that is used to send out classroom updates and quick announcements as we go through the school year. We invite everyone to stay connected with what is happening at Pangman School.

Once again, welcome back! Let's make it a great year at Pangman School!

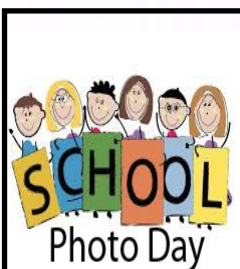

Mrs. Warren
Principal

"Success and achievement for every student."

Students of the Month for September

K-3: Paige DeBruyne for being kind and respectful to others, and for always being helpful in our classroom.

Grades 4-6: Hannah Kessler for being exceptionally helpful in the classroom and on her toes ready to help with anything that needs to be done.

Grades 7-9: Tesni Hicks for working hard to get back into the school routine this month and volunteering to be our SRC representative.

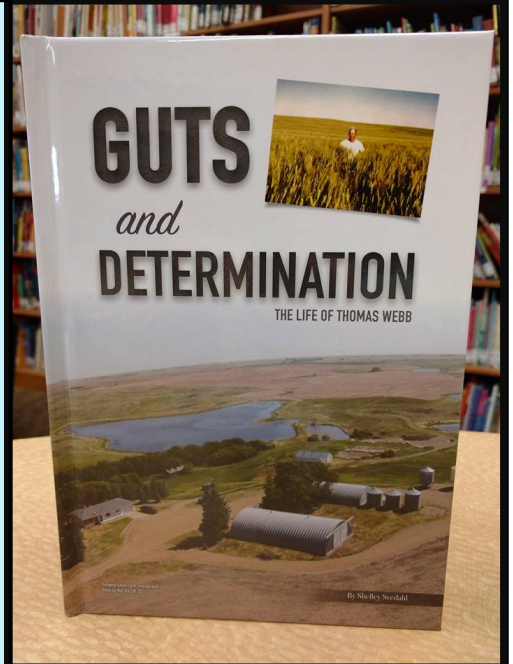

Grades 10-12: Jackson West for his dedication and hard work in his Foundations Math 20 class during the month of September.

Library Notes

Thank you to Mr. Thomas Webb for the donation of his book Guts and Determination.

This book will become a part of our school library's collection.

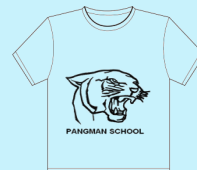

~ It is always a good idea for parents to be aware of the books your child is reading. Keep in mind that our library does contain some books intended for older students. These books may have a "Mature Read" label on the cover. In this case, we suggest these books for students in Grade 8 or older.

~ Our *e-library* is available to all students using their regular log in and password. There are books for all ages and interest!

School Clothing

We will be placing a school clothing order this year. Watch the newsletter, See Saw, and Facebook for more information.

On October 10th we will be kicking off our annual QSP fundraiser!

Pangman School had a very exciting visitor on September 13th. Chris Chittick, Tornado Hunter Videographer, told Grades 4-12 students about his storm-chasing adventures.

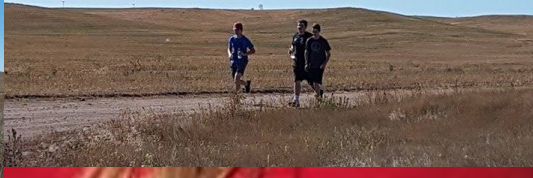

The Cougar Trot in Regina on September 16 went very well. Maddox, Hannah, and Logan all competed and were great sports. Thanks for coming out and being fabulous representatives of Pangman School!

Fun in the sun!

Terry Fox Run 2017

Thank you to everyone who participated in the 2017 Terry Fox Run, to all who donated toward cancer research, and to our sponsor, The Pangman Co-op Food Store!
