Students of the Month for April 2019

K-3: For the continuous respect and kindness he shows towards everyone around him. Jack is also receiving this award for the hard work he has been putting into sounding out new words independently during the month of April.

Grades 4-6: She has shown excellent effort in all of her classes. She is kind, helpful, stands up for others who can't for themselves at the time and shows empathy towards others.

Grades 7-9: For his focus, effort and participation in his classes and a successful Term 2.

Grades 10-12: For his ability to stay on task and work independently in the month of April, 2019.

The class
of 2019
would
like to

thank everyone who
contributed to their
fundraising
bottle drive!

Kindergarten Easter Activities

Pangman Grades 4-6 Space Station

On March 14th, the grade 4-6 students embarked on a mission to Mars! Using the invention of Jim Deurksen, past teacher of Rosetown High School, the students built a simulation of a Mars Station. The students started the project by designing a "scale" model with recipe cards. Packing tape, garbage bags and a box fan were the materials used to make their pods and hallway.

The Mars mission started at 9 am and ended at 12:10. It included coding with robots that they designed and assembled earlier in the week with Mr. Van Betuw. It also included numerous assignments on OneNote. Communication with Mission Control was through the use of an Ipad. The astronauts encountered a glitch when the oxygen supply was compromised and a space walk had to be performed!

The Mars Station has also been used for a buddy reading with future astronauts in grades 1-3. Special thanks to Mr. Van Betuw for designing the robotic quests and instruction with the design, construction and coding.

Badminton

On April 6th members of the Junior Badminton team travelled to Weyburn to compete in a 12-team invitational tournament. Our team had great success and Gold was won in the Boys Singles category. Our Junior Badminton team has also played exhibition games against Radville and Gladmar. The Junior team will be playing in Pre-Districts on Tuesday, April 30th.

The Senior Badminton team has been to a tournament in Weyburn and has also played exhibition games against Yellow Grass, Ogema, Avonlea, and Gladmar. Their Pre-District tournament was held on Saturday, April 13th with a Pangman School student placing second. He will be competing in the District Playoff Tournament in Estevan on May 1st.
