## Students of the Month for February 2020

K-2: She is receiving this award because of how hard she has been working at learning how to read. She has also been trying really hard to get her work done during class. Great job!

Grades 3-6: He is receiving this award because of his positive attitude, love for school, hard work and excellent attendance! Keep up the great work!

Grades 7-9: For taking initiative to get her work done, having a positive attitude and working hard in all her classes.

Grades 10-12: For his consistently positive attitude and strong ability to work with others in the month of February.

*"Success and Achievement for Every Student."*
