

# Pangman School

November 2020

contact.pangman@secpsd.ca (306) 442-2051 Box 188 Pangman, SK S0C 2C0

[www.secpsd.ca/schools/pangman](http://www.secpsd.ca/schools/pangman)

Please join us for a virtual  
Scholastic Book Fair from November 16th-29th

The Scholastic Book Fair will be held on-line this year. Our library will receive 20% of sales in new books for our library! We appreciate your continued support.

30	No School

## In This Issue

- 1 Scholastic Book Fair
- 2 October Students of the Month and Purdy's Chocolate Fundraiser
- 3 Student Led Conference Information
- 4 October Colour Day
- 5 November Calendar

## Students of the Month for October 2020

K-3: For being kind, hard-working, and caring towards others. She works so hard in class and is a great listener! Great job!

Grades 4-6: This young man has been working super hard on all that he does. Not only since September, but since March! He strives to use his time wisely in class and gets his work done and handed in on time. He has gotten perfect scores on all of his spelling tests this year! Keep up the amazing work! Fantastic work and effort!

Grades 7-9: For his positive attitude in all his classes.

Grades 10-12: For her strong start in her Food Studies 30 online class, and strong work ethic in all other classes in the month of October.

## SRC UPDATE

Welcome back to all my Pangman School students and families! As you know this year is a bit different, it is also different for the SRC. We have more guidelines to follow but we are trying our best to plan as many fun activities as possible. We have also been working on having a spirit week every month and coming up with fundraising ideas. We have decided to do a Christmas themed fundraiser with Purdy's chocolate. There is a wide variety of delicious chocolates that you can order and give away as Christmas gifts or keep for yourself to eat! The orders are due on November 25<sup>th</sup> and you will receive your order on December 12<sup>th</sup>. We would really appreciate your support!

Thanks,

Skylar White, SRC President

### Do something awesome (for yourself and us, too!)

Support our fundraising campaign by purchasing Purdy's chocolates, made in Vancouver, B.C. from sustainable cocoa.

Lots of selection and great for gifting too!

Ask Tammy Friesen for more info.

Order deadline is Wednesday, November 25<sup>th</sup>

CANADA'S CHOCOLATIER SINCE 1907

# Pangman School Student-led Conferences (SLCs)

Dear Parents:

We are approaching the time for student-Led conferences. The dates for the conferences are Wednesday, November 25, 2020 from 3:45 pm to 7:30 pm and Thursday, November 26, 2020 from 3:45 pm to 7:30 pm. This year these Conferences (like everything else in 2020) are going to look a bit different. We will use Microsoft Teams as the platform for meeting with students and their families.

The SLCs will be held with only the student joining the meeting, and families sitting with them. The student will, of course, log in with their SECPSD account. Some family members, however, may not be physically with the student, and need to be invited separately to the meeting using their private email.

A separate interview time will be determined for each student and their family and a Micro-soft Teams invite will be sent out from the school. However, our teachers will try to accommodate requests for interview times. Please review the date and time schedule that will be emailed to you with the report card and phone the office (442-2051) if you need to re-schedule.

We are looking forward to conferencing with each student and their parent (s)/guardian, allowing each student to share with their parent (s)/guardian their accomplishments and goals for the remaining semester or school year.

Sincerely,  
Iris Warren,  
Principal

## 3 Ways Children Can Support Children

### 1. Help Others Toward Their Goal

Children can learn they can help others by being a **support system**.

**Children can:**

- ✓ **Listen** to others work through a problem and support their struggle.
- ✓ **Offer** suggestions or observations without doing the work for them.
- ✓ **Keep** someone company as they try a new task and encourage them to keep going.

*Big Life Journal*

### 2. Teach Something They Know

Help your child notice opportunities to **share their knowledge**, and watch their confidence and compassion soar.

**Children can:**

- ✓ **Demonstrate** tricky tasks (how to do a math problem, tie a shoe, or read the instructions for a younger sibling or a friend).
- ✓ **Explain** how to do things to help someone else learn.

### 3. Be There When it Gets Tough

When children support other people, it underlines their knowledge that struggling isn't personal. It's part of the growth. It's not about fixing it — it's about **letting someone know they aren't alone** and that their feelings aren't too big or unnatural.

**Children can:**

- ✓ **Use** their empathy and compassion to support others when they are struggling.
- ✓ **Support** a friend who doesn't make the team, can't get the notes correct, or misses moving to the next reading level by a few points.
