## Students of the Month for October 2021

K-2: She is receiving this award for being kind, helpful, and for her easy transition into Kindergarten. Great job!

Grades 3-5: For helping out the younger students in our classroom. Your effort in our room is not unnoticed! Keep up the good work!

Grades 6-9: For her focus and hard work in all her classes throughout the month of October.

Grades 10-12: For their great work in SRC.

*Success and Achievement for Every Student.*

This month we said goodbye to an EA in our school. The grade 3-5 room will miss her greatly.

Grade 3 to 5 will miss her because:

- She is funny
- She is kind
- She was so sweet
- She was respectful
- She helped us
- She told awesome stories

Best of luck!

Pangman School is continuing to use Edsby as the family communication, student achievement, and engagement system, which we started in the fall of 2020.

Edsby is used to provide a modern way for parents and guardians to follow their children's progress at school, receive school updates, booking student-led conferences, input planned absences and much more. This is the only place you need to visit to keep up to date on your child's school information and progress. It is easy and convenient to use.

Last year we had almost every family on Edsby, which was great. However, families need to create a new account for the 2021-22 school year. Parents/guardians are asked once again to log into Edsby so they are kept up to date and informed. Thank you to those families that have set up their new accounts.

Please check your email inbox (spam or junk folder) for the invitation. Similar to last year parents/guardians will need to create an Edsby account and then use their email and user created password to access Edsby. Please let us know if you have any issues with creating your account and we will provide assistance.

The image displays two sequential screenshots of the Edsby registration process, connected by a dashed orange arrow.

# Grades 3-5

This month we have continued studying soil and have focused on how water absorbs into different types of soil. We also had so much fun getting involved in the Terry Fox Run and the Book Fair!

# Our 2021 Terry Fox Run was a huge success!

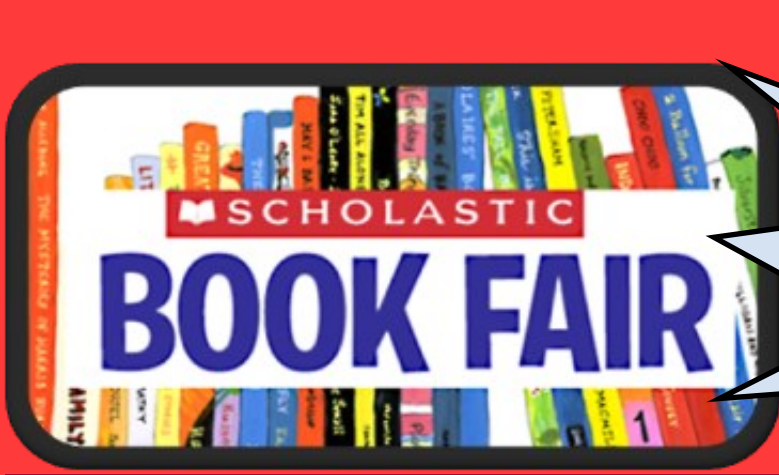

It was a beautiful day to support such a great cause.

Our school raised \$1624 for the Terry Fox Foundation!!!

Thank you to everyone who sponsored students, volunteered to watch out for students along the route, and who provided refreshments for our participants.

Thank you to everyone  
who supported the 2021  
Book Fair!
