Students of the Month for April 2022

K-2: For the progress she has made in reading and writing this month. She is always willing to help others and works hard at all that she does. Great job!

Grades 3-5: For his positive attitude and determination. He tries new things with an open mind and doesn't give up when things get hard. Thank you for making us all laugh! Great job!

Grades 6-9: Logan for doing an awesome job as a mentor!! You were very involved with your mentee in the activities and were an awesome role model.

Grades 10-12: Cole for getting ahead in his online class.

"Success and Achievement for Every Student."

SCC Spotlight

May's School Community Council (SCC) Spotlight features Julie Guest. Julie has been a member of the SCC since 2021. She has three children attending Pangman School: Sydney, Sarah, and Sophie. She loves to bake and read.

We interviewed Julie to learn more about her and Pangman's SCC.

Pangman School: Julie, what made you decide to become a member of the SCC?

Julie: Involvement in the community that directly affects my family.

Pangman School: How would you describe the purpose of the SCC?

Julie: Parent/community involvement that can broaden experiences and opportunities for the children of Pangman school.

Pangman School: What can you tell us about the upcoming Toy Bingo?

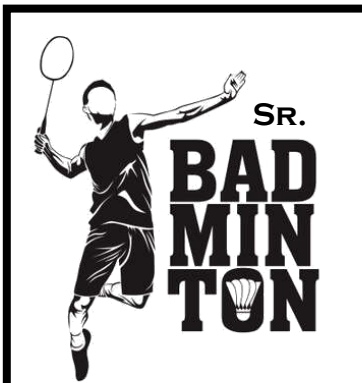

Julie: There are lots of exciting prizes for everyone to win!

Pangman School: Why is the SCC so important for our school?

Julie: It gives an opportunity for outside feedback.

Pangman School: Thank you for taking the time to let us interview you. Good luck on all of the exciting projects that the SCC has planned.

Julie: You're welcome!

Thank you!

Thank you to everyone who supported the 2022 Grad bottle drive. The graduates worked hard collecting and sorting the donations and raised close to \$2500! This money will be used toward expenses such as invitations, decorations, and the grad supper.

Mentorship Program is Back!

On April 26th our mentors and mentees had the opportunity to meet. Groups introduced themselves, participated in a colouring activity together, and made up their own handshake. We are excited that this program is back and look forward to many activities together. Following the mentorship activities the older students did a photo scavenger hunt around Pangman and the younger students did an Easter egg hunt.

HAPPY
Easter

Congratulations to
Richard Metke who won the
Easter egg hunt contest
from the
April newsletter!

A collage of 12 photographs showing children in a classroom setting, many holding small dogs. The photos are arranged in a grid-like fashion with decorative floral borders on the sides. The children are smiling and interacting with the dogs and each other.
