Tie Dye Day

Classroom Colour Day

Kindergarten Orientation

At the beginning of June, we were able to have our first in person Kindergarten Orientation since Covid. We did a variety of activities, including planting sunflowers, drawing with chalk, reading stories, and playing in the classroom. Students and their families joined us for a fun morning to get them familiar with Pangman School. We will have six new Kindergarten students join our class next year, and we are so excited to welcome them to our School in the Fall! Welcome, Kindergartens!
