Students of the Month - March 2023

K-2: For the enthusiasm she shows towards learning and for the hard work she puts into reading and math. She is also receiving this award for being kind to her classmates. Great job!

Grades 3-5: For his positive attitude and willingness to try new things with an open mind. He gives every new thing his best shot and is always sure to encourage his friends to do the same! Great work!

Grades 6-9: For a successful Term 3 and his participation in class discussions and his focus on getting his work done.

Grades 10-12: For her academic and extra-curricular achievements.

"Success and Achievement for Every Student."

SRC Report

March has been a more laid-back month than February was. We still had regular spirit days every Friday which included Decade Dress Up Day on the 3rd, Jersey Day on the 10th, Green Day on the 16th, Pajama Day on the 24th, and Panther Pride Day on the 31st.

We have lots of fun things to look forward to in April. Easter is coming up and we are planning activities including a scavenger hunt for the school to do together. We also have spirit days every Friday with Pastel Day on the 6th, Twin Day on the 21st, and Panther Pride Day on the 28th. We are looking forward to an exciting month!

Congratulations to one of our Grade 12 students for being awarded The Chancellor's Scholarship Circle of Honour award from the University of Saskatchewan. To receive this premier entrance scholarship for \$30,000, she has maintained an academic average above 95 percent. In the fall, she will begin her studies in Biomedical Sciences at the U of S and is working to pursue a career as a surgeon.

She has been a student at Pangman School since Kindergarten. As a student, she has participated in SRC as a member and past president, played badminton and volleyball, and is a member of the Yearbook Committee. She has also received her Grade 10 piano examinations. She currently works at our local café and has also been a lifeguard at Pangman Swimming Pool during the summer months.

Classrooms Care is a special reading program that empowers students to read and make a difference. When students read 100 books, Scholastic will donate up to 100,000 books to kids who need them! Pangman School will be participating until April 30th, 2023. Students may colour in one book on the poster at school each time they complete a book at school or at home. By participating in this program, our school has been entered to win a David Pilkey prize package!
