As the 2022-23 school year draws to a close, I find myself reflecting on the past 34 years that I have spent teaching at this school - so many students and experiences - quite a journey. I am proud to say I have spent the bulk of my teaching career here at Pangman School. Over the years, I have gotten to know so many fabulous students who have filled my career with a sense of accomplishment, pride, and best of all, laughter. I had a great time here and wouldn't trade this experience for anything. We may be small at Pangman, but we are mighty. Go Panthers Go!

I wish Pangman School the best in the future. Thank you and farewell.

Students of the Month - June 2023

K-2: For being kind to others, trying hard at her work, and for always making sure everyone is included. She approaches learning with a positive attitude and is always willing to try something new. Great job!

Grades 3-5: For her creativity in art. It has been fantastic to see a new side of her through her drawings. Way to go!

Grades 6-9: for working hard in class, for getting assignments done on time, and for showing more confidence in her participation in class.

Grades 10-12: For taking on the responsibility of managing the vending machine for the school.

"Success and Achievement for Every Student."

SRC

This year the SRC has planned, prepared for, and executed many successful events and activities. Throughout the year there have been various spirit days including twin day, beach day, and wacky hair day. They have also planned fundraisers such as the Telemiracle supper where they raised \$2748.55. Their time was also spent planning activities for holidays like Easter and Valentine's Day. To reward them for their hard work, they got to go on a field trip to Get Air in Regina. We encourage everyone to join SRC next year to develop leadership skills, have a say in what goes on in the school, and help plan fun activities. They are the unsung heroes of the school with everything that they do. Thank you to all the members of the SRC, school would not be as fun or enjoyable without you.

Pangman School's 2023 Graduation

The K-2 class had so much fun welcoming next year's Kindergartens to our class. Our ten new students enjoyed a morning of play, sunflower planting, Bingo, and socializing. They got to see their new classroom and meet the students who will be in their class next year. We are so excited to have them join Pangman School in the Fall!

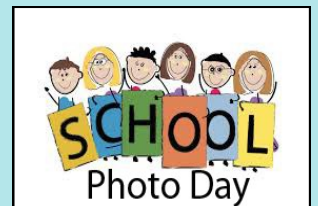

Farewell Tea

The staff and students of Pangman School are sad to say goodbye to three of our staff members. Best wishes for the next chapters of their lives. They will all be dearly missed.
