Pangman School's 2025 Graduating Class

Principal's Message

As we wrap up another school year at Pangman School, I want to thank our students, staff, families, and community for your continued support and partnership.

Our students showed incredible growth this year, academically, athletically, and as leaders. A highlight was the mural project led by former Panther Cathryn "Cat" McIntyre. With support from the SCC, students created a vibrant piece of art that proudly reflects our school spirit. This mural is a lasting legacy for Pangman School, and I'm proud to share it with our community.

A big thank you to the SCC for their fundraising efforts throughout the year. From hot lunches to special events, their work helped support many student-centered initiatives and learning opportunities.

To our staff, your dedication and care make all the difference. To our families, thank you for being such strong partners in education. And to our students, your effort and positivity have made this year one to remember. To our graduates, congratulations! We wish you the best in your next adventure. Wishing everyone a safe and happy summer!

Warm regards,
Curtis Bourassa
Principal, Pangman School

Students of the Month

June 2025

Grades K-2: For his great sense of humour and problem-solving skills with his peers! He has made lots of progress academically as well. Great job!

Grades 3-5: He works hard every day, stays on top of his assignments, and always tries his best! Great work!

Grades 6-9: He has been first to stay back in PE to help clean up games and supplies as well as always lends a helping hand when needed. He has been working very hard to complete his assignments for ELA, Math, and Social, and has been a key member in recent group assignments! Great work, keep it up next year!

Grades 10-12: She has put in great effort to become the first high school student to complete all her classes. Throughout the year, she has steadily developed new skills and consistently met her personal learning goals by overcoming challenges and embracing opportunities to grow independently.

SCC Report

The SCC would like to thank the community for its continued support of our school! Because of you, we were able to commission a mural for the gym wall. We would like to thank Cathryn, our artist, for the excitement and passion she's bringing to this project. We can't wait to host the community in the fall for the official unveiling.

Some of the things we were able to bring to Pangman School over the 2024/2025 school year were:

- A new ping pong table for the high schoolers to use during recess.
- A new sound system for the gym.
- Collaborated with Pangman Library to bring in the Indigenous Storyteller.
- Paid for the One Book One School books.
- Numerous hot lunches were made and served plus free Christmas Dinner the day before Christmas break.
- Provided pizza lunches to the classes with the highest attendance from January to June and provided baskets for the students with the highest attendance overall in each class.
- Paid for the senior boys to attend the robotics event in Saskatoon.
- Planted trees along the playground for more of a wind break for the kids and re-vamped the memorial garden at the front of the school.

Thanks go out to the SCC members, without their hard work and teamwork behind the scenes, we wouldn't accomplish all that we do! So, thank you to Melissa Vande Velde, Lexi Kessler, Megan Brice, Ashley Metke, Cacey Warren, Meagan Metke, Lindsay Johnson and Tara West.

Thank you to the SRC for handing out the milk for the milk program.

A big thank you to Pangman Co-op for always being willing to help, whether it's the breakfast program, milk program or ordering in our special requests for hot lunches.

We look forward to the fall and what we already have planned for the 2025/2026 school year!

If you're thinking of joining the SCC, you can reach out to any current SCC member or join us at our AGM during the school's Open House in October.

Mural Begins!

June 2, 2025 marked the first day of painting of our new gym mural. We are thrilled to have Cathryn "Cat" McIntyre, former Pangman School student, creating this beautiful artwork in our gymnasium! Cat is also working with students to create their own art pieces. Thank you to everyone who helped make this mural a reality.

SRC Report

SRC has had a very eventful school year. We've continued the tradition of dressing up every Friday, playing games on Halloween, hosting door decorating contests, and selling candy grams on Valentine's Day! There have also been a few new additions, like Minute-to-Win-it games with the Student of the Month recipients, Just Dance at the end of Panther Pride assemblies, and our daily canteen! SRC also had the opportunity to go on a field trip and attend a leadership conference earlier this year.

Thank you for your support with all our fundraisers this school year! We look forward to planning many more activities in the fall!!
