- November 26 Picture Re-Takes
- December 6 Bazaar

Our school was selected to participate in the Indigo Love of Reading Foundation's annual Adopt a School fundraiser! Every dollar raised in-store at Coles Parkland Mall and Indigo Southland Mall between September 5 - October 5, 2025 will go DIRECTLY to our school to help fill our shelves with new and diverse books. Thank you so much for supporting our school and for helping to inspire a love of reading in our students!

Please visit the Indigo Love of Reading Foundation for more information of to donate to Pangman School. Thank you to everyone who has donated so far!

2025 Terry Fox Run

See page 4 for more photos.

- 1. Indigo Love of Reading
- 2. September Students of the Month
- 3. New Staff Introductions
- 4. Terry Fox Run
- 5. School Spirit Days
- 6. October Calendar

Students of the Month September 2025

Grades K-2: For being a great leader in our class and helping the younger students. She works hard, pays attention to detail, and sets a great example. Keep up the great work!

Grades 3-5: For his kindness and being helpful in the classroom. He also works hard in class to get his work done on time! Great job and keep it up!

Grades 6-8: She is getting this award for consistently working hard in class and always handing her work in on time! She is kind to all of her classmates and brings positivity into the classroom. Keep up the hard work!

Grades 9-12: He has adapted quickly to the high school setting, shown growth in independent learning, and demonstrated a consistently positive attitude when trying new things.

SRC Report

SRC would like to welcome everyone back to school! We are very excited to plan lots of fun things this year!! We have eased into September slowly, with spirit days every Friday, including Beach Day, Anything But a Backpack Day, Western Day, and Camo Day. SRC is also reintroducing the canteen.

We're looking forward to planning some activities in the coming months!!

Spirit Days in October include:

PJ Day on October 3rd

Crazy Hair Day on the 9th

Twin Day on the 17th

Fall Colour Day on the 24th

SCC Report

The SCC AGM is October 16, 2025 directly following the school's Open House. If you are interested in joining the SCC, please attend or reach out to any current board member. We hope to see you there!

Welcome to Pangman School!

Mabuhay!

I am excited to be part of Pangman School as an Educational Assistant this year. I live in Ogema with my husband, three kids, and my brother. I originally came from the Philippines and moved to Ogema 10 years ago. As a family, we love exploring abandoned or ghost towns and like to do long drives to travel. Our goal as a family is to visit each Canadian province (provinces only, for now) and 25 states via car. I love to do karaoke and listen to E-books in my spare time.

Hello everyone. I am thrilled to be joining Pangman school this year! I am the 6-8 homeroom teacher, but I also teach high school Physical Education and RTI. I grew up near Minton and am looking forward to being closer to home! I love reading, playing and watching a variety of sports and spending time with family and friends. I am looking forward to getting to know all the students, staff and the rest of the community!

I will be completing my extended practicum at Pangman School from the beginning of the school year until Christmas break. I am originally from Regina but moved to Saskatoon in 2020 to continue my education degree at the University of Saskatchewan. In my personal time I enjoy painting, going for walks, and exploring the community. I am excited to be here!

I am excited to join the school in an EA position this year. You may also see me on the bus as I am a bus driver too. I am originally from Southeastern Ontario but have lived in Saskatchewan since 2013. In my free time, I like to read, write, and spend time with my family. We love a good road trip so most of our vacations are spent in a vehicle rather than on an airplane. I look forward to getting to know everyone better this year!

I am excited for the opportunity to join the Pangman school team as an Educational Assistant. My job is only temporary, but Pangman School is already a valued part of my family's life, and I am sure my involvement will not cease once my current role is completed. I live with my husband and two children on the farm my husband grew up on, east of Pangman. As a family we enjoy playing board games, checking cows, and adventuring together. I also pass a lot of time cheering my kids on at hockey and dance. In my spare time I enjoy reading, knitting, and gardening.
